

To the Secretary
for Marilyn Waring,
M.P. for Waipa.

13 March, 1980

Dear Madam,

We understand that Miss Waring is at present overseas and that no appointments are to be made on her behalf before her return.

As the success of our First Annual Conference on 17th and 18th May depends upon her presence as guest speaker, we would like the opportunity of being able to write to her as soon as possible.

Would you kindly send addresses (and relevant dates) of where we could contact her.

yours faithfully,

Esther Alward.
