Dear Barbara,

We held our first 1980 committee meeting recently, and got things rolling for this year. The subject of conference came up - naturally - and we were wondering if you could supply us with information regarding programme, registration fee, billing and accommodation etc. We're trying to get as many as possible to come up however transport cost etc seems to be a problem for most. Because of this we're starting a fund raising in an attempt to help those that are planning on going. Anyway we would appreciate further details if they've been finalized. Hope that organising is coming along without too many hazzles.

We're all thrilled down here as we have a second doctor who has agreed to do a home birth. No midwife yet though!!

Look forward to hearing from you.

Yours sincerely

Lu Greig (Secretary D.H.B.A.)
