Kiaora Homebirth People,

I am an expectant
Mother and was advised
to get in touch with as I was interested in
Yoga exercises which could help me +
my baby thru my pregnancy. My man + I
have read man books on home birth
should the occasion arise if we do not
make it in time to the hospital as we
live $\frac{1}{2}$ an hour walk from road into
bush with our 3 other children on our
34 acre's of acre's of land - still
building our home + getting established.

We would be very grateful if you
could help us or suggest books to buy.
If ever you - us are up our way drop in
on us - love - peace + happiness to you
all. Arohanui - Yere + Rongo + kids.
