Dear Brenda,

We discussed the possibility of Hilary Butler speaking at the conference at our conference meeting last night. It's a shame but we feel there is not enough time to allow for this subject matter to be covered at a home birth conference.

We are all pretty interested in her topic though, if she is ever speaking in this area please let us know.

If Hilary Butler is coming to the conference anyway, out of her own interest, we would certainly be happy to have her run a workshop on her topic, but we would not be able to offer any travel or accommodation rebate.

Thanks for writing and please thank Hilary for her offer.

Yours
Marilyn Wright.
