Dear Supervisor,

Information on home birth has been requested by the Mount Eden Citizens Advice Bureau and it may prove useful to have on file.

Our Association was formed in 1978. We now have ten branches throughout New Zealand and over 300 members in Auckland.

Our objects are as follows:

1. To encourage more midwives and medical practitioners to practice and participate in home births
2. To carry out home birth/hospital comparison studies
3. To educate the general community in the benefits of home birth
4. To support domiciliary midwives.

There are now four full time domiciliary midwives in Auckland.
