Dear Sir or Madam,

I am a 23 year
old mother of two perfect children
Miriam aged 5 and Natasha aged
2.

I am six weeks
pregnant with my third child.
I have had two perfect deliveries
one in the U.K. and one in
Middlemore.

I would like to
have my baby at home for
numerous reasons too detailed
and personal to mention.

My doctor will not
help me nor will any other in
my area.

Please can you give me some
advice,

It is still early I know
but I feel very strongly about
this

Yours Thankfully
Mrs Julie Kitson
