Dear Anne,

Enclosed is my subscription to join the Auckland H.B. Assoc.

Since moving to Whakatane in April this year I ~~have tried to~~ and finding no support for home births, I spent a long time trying to find a midwife & sympathetic doctor. ^{Other interested people} After many months a midwife I contacted has recently been registered so we are looking forward to the birth of our second baby in April/May next year.

Hopefully we will still be living here but our situation is a bit insecure so there is a possibility of moving back to Auckland before this time. I realise midwives are very much less in number now & really feel strongly about having this next one at home. If all goes well, so hopefully we won't have any trouble finding

a midwife if we do move back your way -
(we lived in Auckland before coming
here & the first baby was born without
any problems at Helensville)

Looking forward to hearing from you.

Yours faithfully
