The Secretary  
NZ Homebirth Association  
Auckland Branch,

Dear Secretary,

I am currently completing an architecture degree at Auckland University & writing a thesis, part of which deals with environments of birth. I am interested in the homebirth option, & would like to include a section about homebirth in my thesis. Would you be able to let me have any information about homebirth, & the Homebirth Association for this purpose. I would also like to come to one of your meetings if possible, & meet some of the people concerned. Another thing I am interested in is alternative birthing centres which I keep hearing about. I can't however find out who is involved or where they are being set up. Would you have any information on these?

I do hope you will be able to help me. Do not hesitate to phone me 765-590 if this would suit rather than writing. I look forward to hearing from you.

Yours sincerely  
Janet S. Thomson.
