25 Litten road
Howick-Auckland

Dear Madam,

Would you be so kind to send me any information you have on your Association for Home Birth. I am writing articles for a feminist magazine in Holland on all topics women concerning. And because home-birth is as common as can be in Holland, I would like to know more of the background of the situation here in Ne Zealand, to be really informed and to be able to give the real facts. I would be most grateful to you,

yours sincerely,

Hanneke de Graaf
(permanent resident of New Zealand)
