Dear Joan,

I have read the MSC Report  
Mother & Baby at Home &  
found it very interesting. I got  
my copy from the Govt. Research  
Dept & it had comments noted  
all through it. I think these  
comments were yours & I agree  
wholeheartedly with them. However,  
I did not really feel that this  
report - itself was totally against  
the status quo as regards birth  
in NZ, in fact I felt some of  
it was supportive & looking  
towards improving support  
services for Home Birth etc.  
- Is there another report  
around with more daring

stuff in it or is that the sole  
document from which legislation  
will be drawn up?  
Hope to hear from you soon,

Kind Regards
