Dear Sir / Madam

The General Assembly Library has been receiving your publication under the provisions of the Copyright Act 1962, as amended in 1971. Our records indicate that we have not received the

New Zealand Homebirth Association Newsletter  
since January 1981

We would appreciate it if you would send us 1 copy/copies of each issue necessary to complete our holdings and ensure that we are on your current mailing list. If there are no spare issues available, we would be very grateful if you would lend us your file copies so that we might obtain a photocopy. We would treat them with the greatest care and return them to you as quickly as possible.

If in fact your periodical has ceased or been temporarily suspended we would be pleased if you would complete the section below and return it to us with all the missing issues.

This information will be valuable in updating the national record of serials published in New Zealand. Your prompt attention in this matter would be appreciated.

Yours faithfully

M. Moor (ms)
