Dear ms Macfarlane,

I am expecting a child in November & am very keen to have a home delivery. I'm returning to New Zealand in August & had at first anticipated living in Auckland & got your address from a friend there. But it now seems we'll be living in Wellington & as I have no contacts there at all, I was hoping you may be able to give me some information as to who to contact there or perhaps be able to pass my letter to someone who can help me.

= looking forward to hearing from you - sorry I can't help with postage  
- yours sincerely

Stephanie Bailey.
