Dear Ms Nicol,

Appreciate your Association comes within the scope of our interest and is educational but I am afraid it does not have sufficient priority to be given consideration for a grant. We do not actually have application forms but we do require a reasonable amount of information when considering grants.

Sorry it is not a more encouraging response from one who was born at home.

Yours sincerely,

Roy A. McKenzie.

Dear Madam or Sir,

I am writing on behalf of the H.B.A. We are interested in making an application for funds to enable us to purchase a 16mm Film Projector, for use in Ante-Natal Classes that we run for prospective Home Birth parents.

The Auckland H.B.A. is an Incorporated Society, affiliated to the N.Z. H.B.A. and various other Childbirth Education organizations overseas. We exist to support parents who wish to have their babies at home, under the care of a Registered Domiciliary Midwife.

We would be grateful if you would send us the necessary application form, and inform us as to any extra relevant details you require.

Yours Faithfully,
Lynne Nicol
