On the registration form we have the venue as simply the
Uniting Church in Richardson St., Middle Park. The exact address
is; 292 Richardson St., Middle Park. When we send the newsletter
that will have in it direction on how to get to the venue.
Could you bring with you any videos, tapes, photos, films etc...
that would be of interest in sharing with us all. This conference
is not a public conference as we didn't think that was necessary
so it is not being advertised in the media here other than through
our newsletter.. this does not exclude anyone from coming though!!
If there's anything major you think we have overlooked please
let us know!!! this is our first try at such a venture and we
could easily forget something important. Hope to hear from you
soon and see you all at the get-together.

regards from all of us.
