Dear Madam / Sir,

I am pregnant with my first
baby and wish to give birth at
home.

I am returning to N.Z. on March 3rd
and will need to contact a mid-wife who
will assist me, however do not know of
anyone at present.

I ~~was~~ will be living in Lower Hutt and
wonder if you know of any-one in the
Wellington - Lower Hutt area that I could
get in touch with.

Any information about home birth
in N.Z. would be very much appreciated
also.

Thanks for your consideration

Yours sincerely,
Gina Woodward.
