Mrs. J. Donley,
3 Hendon Ave,
MT ALBERT.

Dear Mrs Donley,

Enclosed please find a proposed itinerary for your travel arrangements to Australia along with our invoice.

With regard to Domestic travel to the Auckland conference in May, a 10% discount off the normal airfare can be arranged if the Conference Organiser applies in writing direct to Air New Zealand, (Group Travel) Private Bag, Auckland and supplies information as to the number of people travelling to the conference, and the date of the conference. Air New Zealand will then forward Group Travel Discount forms to you to be given to each passenger and they in turn can use it when purchasing their ticket. Please telephone our office if you require further details regarding this matter.

Yours sincerely,
VIP WORLD TRAVEL LTD.
