Dear Ms Macfarlane

Thank you for your letter of 16 March which our Chairman, who is presently overseas, has passed through to me for action.

I am enclosing discount certificates to enable members of your Association attending the Annual Conference in Dunedin to have the benefit of Conference fares and as you will see from the certificate, the authority to utilise this discount is available to members of your group.

We hope that you have a worthwhile attendance at the Conference and that our contribution assists in making travel to the Conference that much easier.

Yours sincerely,

N.R. Searle
