AUCKLAND.

4th March 1982,

Dear Barbara,

Strictly speaking I am not involved with any amalgamation of Hospital Boards and Department offices. As you no doubt know, amalgamation has only been mooted in Northland and Wellington. Plans for Auckland are probably so tentative as to be a non-issue.

However, if your concern is with the Auckland Region, then I suggest that you contact Dr John Stephenson, Medical Officer of Health, Auckland. Other than that I can only suggest that your Association makes contact with Health Services Advisory Committees in Northland and Wellington. At a national level, discussion could be held with the Special Advisory Committee on Health Services Reorganisation (SACHSO) c/- Department of Health, Wellington.

I hope this information is useful to you.

Yours sincerely,

K.A. Goodall
Planning Officer
