Dear Secretary,

After the week long promotion of Home Birth in Auckland, I sent in the form (from the back of a pamphlet) and necessary fee to become involved in the Home Birth Association. As yet I have received no reply.

I am interested in the work of the Home Birth Association and wish to become involved in activities of the association and to learn more concerning attitudes to controversial issues surrounding the care of woman and child before, during and after birth.

I plan at some stage to train in midwifery. As I am able, I would like to be active in the association.

Look forward to hearing from you.

Sue Marshall.
