OFFICE OF THE MINISTER OF HEALTH

WELLINGTON, NEW ZEALAND

29 JAN 1982

Mrs J Kendall
77 The Drive
Epsom
AUCKLAND

Dear Mrs Kendall

Thank you for your letter of 5 January 1982 setting out your views on home birth and the recommendations of the Maternity Services Committee.

I understand that the Maternity Services Committee of the Board of Health is preparing a report on home services in obstetrics. As this report has not yet been completed and has not been submitted to me I am unable to comment on what it may contain.

Yours sincerely
