Wattie Ind Ltd - Annual Report 1985 20073-27-CCB

For 19 yrs. the Co has met the costs of bringing an eminent professor in medical sci to NZ for a lecture tour. The 1985 Wattie Visiting Prof was Alexander Turnbull, an Eng. Prof of Phys & Chem who joined NZ for a month lecturing to various members of the med. fraternity. Prof Turnbull's visit coincided with a 3-day med'l ph, gym & palaeontology conf. at which Prof T was guest speaker.

To substantiate its community relations program W. Ind Ltd will continue its support in these areas while remaining receptive to other community needs.
