Dear Hilary,

I read with interest your article on "Cutting the Cord" in the March issue of AHBA newsletter. I would be interested in reprinting it in the NM Midwifery Ass Newsletter and possibly also in Mothering magazine. Please let me know as soon as possible if you are interested by sending the manuscript (as the newsletter is difficult to read in parts) and a reference list.

I look forward to hearing from you. We would also need it ok'd by whoever has the copyright.

Sincerely,

Pacia
