AUCKLAND.

Dear Madam,

WAIKATO HOSPITAL BOARD REVIEW OF MATERNITY SERVICES

It would be helpful if your Association could supply information about the following:-

1. The incidence of home births in New Zealand. *Copy of statistics.*
2. Are there any apparent trends? *Women rebelling against*
3. Is there any known increase of home deliveries following closure of a district maternity hospital? *Yes technically*

Thank you for your help.

Yours faithfully,

Sharon Dinneen
