Dear Madam,

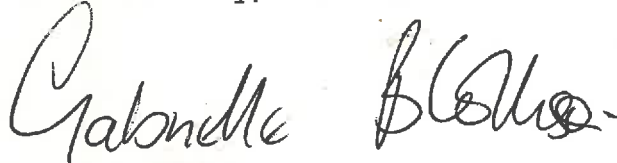

Auckland Home Birth Association.

Thank you for your letter concerning the Auckland Home Birth Association and the availability of Domiciliary Midwives willing to undertake post-natal care.

I am sending a copy of your letter together with the list of Midwives names and numbers to the Chief Nurse of the Auckland Hospital Board and I have already given the same to our Principal Nurse Mrs Edna Davis.

Thank you for your assistance in this matter.

Yours faithfully,

G.B. Collison,
Medical Superintendent.
