Dear Brenda,

Thanks very much for the \$70. It was wonderful to receive, please give my thanks to your committee.

Our first official meeting was great. Really positive. Not many attended but we were united and we have started making ground as a group by setting a sub, a newsletter and regular ante-natal classes. The Local ~~Bank~~ Taranaki Savings Bank has given us a grant of \$50. We have set a main goal of making members at the moment. We are meeting every second month at this stage.

Well Brenda I must set to, to write some letters now. Thanks for the nutrition information. That was great.

Yours  
Louise James
