Te Wharāu Hou
Colville
Coromandel r.p.

Dear June

Our baby is due on August 26th - would you be able to help us then? It's my 3rd child - the other two were short labours with no complications & I have kept good health over the last few months.

Don't know what else you need to know. I have been visiting a Coromandel doctor but have no Auckland doctor. Perhaps you could recommend someone. Anyway look forward to hearing from you.
