Et Post office

Coromandel

31st May 85

Dear Ms Jones,

I am due to have my baby on the 28th October and would like to have a Home Birth either here in Coromandel or at my parents place in Te Awamutu. If this is not possible, do you know of any hospitals that will do it as naturally as possible ie, low lights, minimum noise, not cutting the cord immediately etc.

I do not wish to go to Thames (our closest maternity home) as my past experience with them has not been very satisfactory.

This is my 1st child

so far everything has been going very well. I have had no trouble with my other children.

Hoping that you can forward the appropriate names or addresses or advise me as to what to do.

Thank you.

Yours sincerely
Christine Cottingham.
