Dear Madam,

I have been reading your newsletter of Nov. 1984 which I borrowed from my colleague, Lidwin Jury. I found it very interesting as I had met a number of N.Z. midwives at the international seminar in Sept 1984. I am pleased to hear that you are all fighting hard for the survival of midwives and homebirth. We in Australia have to continually fight to hold the right to attend births at home. Public misinformation is our greatest enemy. We are all with you in spirit.

I would like to purchase some recycling labels but I am not sure of the best way to send you \$2 NZ. Perhaps you could send them and advise on payment. Maybe a "swap" of something would be suitable? If not, I will organise the money.

Best wishes to you all,

Mary Murphy.
