dear Brenda... thanks for your note - I just posted something to you this afternoon!

Jo and I have decided to fly from Kaitiāia.

Otherwise it means 2 whole days bussing to & from Auckland. We were too late to get an epic fare so

I am paying \$347 return and Jo slightly less as she is flying back to New Plymouth on the way home and from thence by car.

Would \$200 be too much to ask from you?

actually anything would be greatly appreciated.

I'm looking forward to the conference...

hope the sorting out isn't too long winded! the workshops sound great!

must go & hang out the nappies!

Much love,

Micky.
