Dear Friend,

We are writing to you to ask if your organisation would like to take part in a Hiroshima Week Committee.

We envisage that this committee would meet to organise activities related to the 40th Anniversary of the atomic bombing of Hiroshima and Nagasaki this year on the 6th and 9th of August. We are sending this letter to all groups we believe would be interested in the Auckland region. The scope and content of the marking of the anniversary would be up to the organisations which formed the committee, but we would expect the usual modes of protest, planning and of consciousness raising would be pursued.

The first meeting of the committee will be at the Methodist Mission opposite the Auckland Town Hall at 7.00 p.m. on 13th May in the Big Hall.

Please contact us at the above address as soon as possible should your organisation be interested in joining the committee. If you cannot attend but are still interested send us your telephone number.

Yours faithfully,

Tom Newnham,
Secretary
