Dear BRENDA,

Thank you very much for sending me the registration form. I have got my Air tickets going by epic AIR NZ its cheaper than direct by AIR ALBATROSS. It means I get to Nelson Friday early afternoon as there were no Epic seats later in the day I will leave Nelson Sunday 4.30. my stop overs in Wellington are less than an hour so thats good.

Our HOMEBIRTH group will come up with the money for registration and accommodation in Nelson. I will pay the travelling cost. So if your group is financial enough a donation towards the air cost of \$136 would be appreciated.

I really enjoyed the day in Hamilton and am looking forward to the conference.

See you there. Thanks for everything!!

Love Louise.
