Dear Mr McKenzie

On behalf of the Auckland Home Birth Association, I would like to thank you, and the Trustees of the McKenzie Foundation, most sincerely for the grant of \$1,000 towards the cost of making a video about Home Birth in New Zealand.

Please accept my profound apologies for the delay in getting this letter of acknowledgement and thanks off to you. (This delay is by no means a reflection of the measure of our gratitude!) As secretary, I was charged with the responsibility for writing to thank you on behalf of the AHBA committee, however, family commitments have left me with little time for voluntary work during the past few months, so correspondence on behalf of the AHBA has been somewhat delayed.

In the meantime however, with the assistance of your Foundation's most generous grant, work on the video has progressed and we are almost ready to begin editing. Part of the grant received from the McKenzie Foundation will be used to make copies of the finished video to give to NZHBA Branches and other interested organisations and institutions throughout the country.

Once again, most grateful thanks on behalf of the Auckland Home Birth Association, to the McKenzie Foundation, for financial assistance with this project.

Sincerely

A handwritten signature in cursive script that reads 'Brenda Hinton'.
