Dear co-ordinator,

My husband and I are members of the Waikato Home Birth Assoc. and I attended the workshop held for midwives and hosted by Libby and Glenis of our branch, on Saturday 2nd March.

While at the workshop I met and ~~was~~ talked with one of your midwives whose name I believe to be Sian White. She offered to deliver my baby for me. Unfortunately I omitted to ask her for her contact address. In order to contact her, would you please forward this letter on to her on my behalf. To that end I enclose a 24-cent stamp for your use. Thankyou for your help, it is truly appreciated.

Yours faithfully

Murphy.
