Dear Sir/Madam

Forum - Artificial Insemination and In Vitro Fertilisation

We are writing on behalf of the Auckland Women's Lawyers Association Incorporated.

We are in the process of organising a one day forum on Artificial Insemination and In Vitro Fertilisation to be held in Auckland on Saturday 15th day of June 1985. The forum will commence at 9.00 o'clock at the North Shore Teacher's Training College hall.

The purpose of the forum is to inform interested parties of the moral and legal issues of In Vitro Fertilisation and Artificial Insemination. Further it is hoped that the forum will promote discussion of the Justice Department's paper which is due to be released in March 1985.

The forum will include an address and slide presentation by a Doctor from National Womens Hospital, followed by panel discussions, guest speakers and a final group session. Morning and afternoon refreshments and lunch will be provided by the forum organisers. A registration fee of \$7.00 will be charged at the door to cover hireage of the Hall and other administrative costs.

We look forward to receiving your organisation's response to this forum and should you wish a member of your organisation to be included as a guest speaker or as a panelist please contact us at the above address.

Yours faithfully,

Phyllis Koppel
