Port Jackson

Dear Treasurer,

Balance is \$10 to renew the subscription to the 'Association'. Both Mike & I read your letters ~~set~~ we've put in the \$10, and want to thank you and all the other active members of the H.B.A. not only for the newsletters but also for keeping the homebirth option alive. Although Auckland is a distance away from our home, greeting our two boys "at home" has made the process of conceiving, bearing, (greeting) and having a family most fluid and relaxed.

With a little luck some activity on this front this year coming. Thanks again —

Melou Curtis
