To Joan Dorley
& the Auckland Home Birth Assn. ✓

Its a happy time for our Assn. as we now have a midwife. Delwyn Hunter, who is in the process of taking out a contract with the Health Dept as a domiciliary midwife here in New Plymouth.

We are writing to ask if Delwyn would be able to stay with you or one of the other Auckland midwives for the week Aug 4th - 8th and be present at the births for that time.

We do hope this will be possible

Yours faithfully

Linda Bowers.

P.S. Your book Save the Midwife is excellent - I know I will be referring to it often & will be recommending it to others.
