Dear Home Birth Assn,

I have moved. Above is my new address; the old one was
6 Croydon Rd New Lynn.

Also, we have been receiving 2 newsletters, one addressed to L Simpson & P Deane (correct), and one to P & L Simpson. This is probably because when I had a baby in September I was sent 2 requests for money for this. I sent both lots, figuring you could do with it anyway, but please don't spend it all on unnecessary postage!

Thanks.

Linda G Simpson.

PS Please send me 75 envelope recycling labels, enclosed is cheque for \$2.

PSS Please also find enclosed cheque for \$10 to keep our membership current.

May I politely suggest that you aren't
PTO

blatant enough about membership renewals? Either that or I'm more confused than I thought (and that's bad!). Is there one date for all memberships to be renewed, or is it a year from the last one or what? If so, maybe a large red blob on the front page of newsletter might gain people's attention.

I'm concerned that you may be losing other members as I overlooked renewing mine in '84, and only noticed when I was ~~in~~ frequent! Also I'm not sure if it is still \$10 or not, that's a guess. Let me know if it's more, since that's about the only thing I can contribute at present.

Best wishes,
Linda
