Dear Madam,

Your name has been given
to us to send you details of our latest
product the Leupler Birthing Chair, which
is used at the local hospital board and
also the Hamilton Home Birth Assn.

Yours sincerely

Jan Henderson.

COUPLE'S BIRTHING CHAIR

Designed by a retired Waikato man, well known for making aids to give specific benefits at low cost. He is indebted to midwives, physiotherapists and doctors who have made construction possible.

Comprises tubular steel frame on which are placed 2 seats at different levels.

The woman sits on the lower wider seat with her knees bent, and her arms over the fathers thighs. The position of the father on the top seat ensures a firm support for the woman.

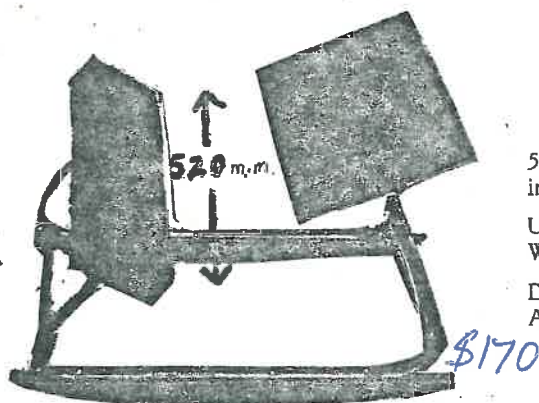

There is ample width on the lower seat to enable the mother slide forward to the curved front to deliver her child to the midwife.

LIGHT STRONG EASILY CLEANED

C.W.O. delivered nearest station N. Island. Add \$10.00 for South Island.

HOSPITAL BOARDS SUPPLIED ON RECEIPT OF OFFICIAL ORDER
EXEMPT G.S.T.

14 Day Money Back Guarantee

DELIVERY SUITE RUCKER

520mm wide knee pad, upholstered in washable vinyl.

Used extensively throughout the Waikato, to relieve tension.

Delivered nearest station N. Island. Add \$10.00 for South Island.
