Dear Sir/Madam,

Our new morning newspaper is starting publication shortly and I will be covering health related matters for it.

Therefore I would appreciate being put on your mail list. I would also like a list of people within your organisation that I can contact when necessary, with after hours numbers if possible.

Please feel free to contact me at any time on 373 196 or 373 197.

Yours faithfully

CM: Delore
