Dear Ms Emmerson

We have pleasure in advising that we will be providing partitioning at the above exhibition in a grey velcro receptive fabric.

Enclosed is our order form and price list of our comprehensive range of exhibition hire equipment. All prices include delivery and collection to your stand at the University. You may choose to use the catalogue as a check list and let us now by return of any requirements you may need. Although special late orders can usually be serviced right up until opening time, they do incur a late order plusage of 25%. The close off date is 2 days before the start of the show.
