Hibiscus Coast

23.2.1987

Home Birth Association.

Dear Madam,

In the process of moving I foolishly mislaid the information you send me.

I feel to recall a bulk of it, and wonder whether a replacement necessary. You will know.

My midwife is Joan Donley, the predicted date 6.9.87, enclosed is my fees.

The dates of the antenatal classes I would appreciate having. Sorry to inconvenience anyone.

Yours sincerely
Louise Baldry
