Dear Maclan,

My name is Laurel Brown & at present I am doing the Pre midwifery course at National Women's Hospital.

My group are hoping to hold a study day on October 8th with various other guests who would complement each other as regards to midwifery & the "Rebirth of the midwife."

We would very much like to have one of the representatives from your Association to come and give us a talk on home births in New Zealand and especially the role the midwife takes.

If you could possibly reply by the 25th of this month to give us some

indication as to whether you are able to
take up our offer we would be most
appreciative. Looking forward to your
reply.

Yours faithfully,

L. D. Brown.
