Dear Ms Hinton

Thank you for your comments on the report "Screening for
Cervical Cancer in New Zealand", April 1986.

The Department of Health, in consultation with the Cancer
Society and the Ministry of Women's Affairs, and others as
appropriate, is planning strategies to improve cervical screening
and will prepare a 'Directions' document to follow on from
the April 1986 report. Your comments will be of assistance
to us in the preparation of that document.

Yours sincerely
