Dear Ms Pot

COMMUNITY HEALTH INITIATIVE FUNDING SCHEME (CHIFS)

I refer to my my letter of early July this year in which I made comment that I had not received your account for the printing of your booklet. A CHIFS grant of \$950 was made available to you in December 1986 for the printing. As your agent we are concerned that we have still not received your account.

As we have carried this grant over from the 1986/87 financial year it is possible that it will be recalled if not spent by the end of the 1987/88 financial year.

An early reply would be appreciated.

Yours sincerely
