Dear Secretary

Enclosed is my cheque for my registration into the association. My baby is due in Mid March & I have been in touch with Sian Burgess who has agreed to be my midwife. I would like to attend antenatal classes as soon as possible & any other support groups or meetings that may be available between now & the birth. I have also enclosed another \$10 as I would appreciate any back copies of newsletters in the last year & hope this will cover the cost of printing & postage. Looking forward to attending your classes

Your sincerely
