AUCKLAND.

Thank you for the June newsletter that I received in the mail yesterday. I found it very absorbing. Unfortunately the address printed on the label is not quite correct - it is 22 not 2 Preston Avenue, Henderson. Could you please amend your list.

I joined the Assoc and paid my sub in March I think. In the newsletter it mentions that all subs now fall due in June. Could you please let me know whether my sub has lapsed.

Yours sincerely

Sue Frost.
