I would also like to subscribe to  
the Auck H.B.A. & to receive your  
news letters.

Our Kaitia branch had a meeting  
today - the first for months &  
it was lovely to hear of Micky  
Warrows time at the conference in London.  
Although not having had a meeting  
for ages it was also very much  
a <sup>social</sup> get-together.

Regards

Daphne.

P.S. If there should be any money  
over, please keep it. for the 2857.
