Crisborne Home Birth
10 Riverside Rd
Crisborne

Dear Auckland Home Birth Secretary,

We, the

Crisborne Home Birth are Alive + Well.

Still No Domiciliary Midwife here. So our
lady's are going into Hospital with
Early Discharge.

On February 26th 27th 28th Crisborne is
having a Health Expo, so we are
having a stall. Do you think it is
possible to have a ^{Home Birth} video sent down.
Any Posters, pamphlets etc (sticker
perhaps a few T-shirts + sweat
shirts) (we will send money on payment -
if it they don't sell we will return
them. Anything you can think of
to promote Home Birth.

Sorry this is late notice - but we only
just found out about it.

Thanks very much

P.S. Yours Sincerely Kathie Uffon-Roberts
