Dear Nicholette,

I would like to join the Auckland Homebirth Association and would appreciate it if you could put me in touch with Tenny Woodley, who I believe is the midwife for my area.

I am now 19 weeks pregnant and am currently under the care of Dr Christine Hutton, who is unwilling to deliver my baby at home, so I need to find another Doctor.

Please let me know of the registration fees etc. and I will gladly forward them to you.

yours sincerely
Amanda Gaynor
