Dear Friends, July 2

Many thanks,  
for sending Hilary Butcher's  
latest publication. Is it possible  
to order a back issue of  
your magazine? The one  
which covered extracts from  
a Homeopathic book and  
listed pregnancy & birth  
indicated remedies, I'm  
sorry I'm confused which  
issue I saw, as I thought  
it was March <sup>87</sup> and my  
copy doesn't include that  
article. March & June 87  
are the only ones I have.

My own home birth is due  
this weekend, I will keep  
in touch, Best regards

Ann Herron.
